A word from Tim Haigh

Managing Director/Owner

What a wonderful day we had in Leatherhead this month at the Fairfield Country Show. The sun was out and we had a wonderful day meeting the public and our peers in social care and the wider community. You'll see Right at Home popping up regularly over the summer at fayres, fetes and open days. Why? Because we believe it's important to speak to as many people as possible so we know how we can help them and also help people they may know. It's why we reached out to Mole Valley Responders which offer an invaluable and much needed service to those who have fallen in their own home and can't wait for hours until an ambulance arrives. It's why we love working with Radio St Helier, collecting requests from patients every week. And of course it's why we've supported the Hello Club for the last decade helping to reduce social isolation in Sutton. So if you see us out and about, come say hello! We'd love to get to know you.

Fairfield Country Show

We were thrilled to attend the Fairfield Country Show and are so grateful to Mole Valley Life for the kind invitation. Hosted on the terrace at the Fairfield Centre, this free community event was a wonderful celebration of local spirit, creativity, and connection.

It was lovely to catch up with friends from Care UK Leatherhead and Bookham, as well as meet so many new faces from across Leatherhead. The event featured a charming mix of arts and crafts stalls, with vendors selling beautiful handmade products, from pens and jewellery to unique homewares. Even a few friendly chickens made a special appearance, adding an extra touch of fun to the day!

Talented students from a local school impressed everyone with their performances, and later, we enjoyed lively and entertaining music from a local band with the unforgettable name, The Courgettes and the Zucchini's.

Beyond the stalls and entertainment, the Fairfield Country Show was an opportunity to connect with the community, share information about local support services, and celebrate the wonderful work being done by Mole Valley Life and other local organisations. It was inspiring to see so many people dedicating their time and energy to helping others, highlighting the strength and compassion of our community.

This was the first event of its kind to be held at the Fairfield Centre, and we feel privileged to have been part of it. The day served as a reminder of the joy and importance of coming together, supporting one another, and celebrating the vibrant local culture we're lucky to be part of. We're already looking forward to future events and can't wait to see the Fairfield Country Show grow and become a regular highlight for the Leatherhead community!

Work Anniversaries

We're delighted to celebrate Juliana's two-year anniversary. Over the past two years, Juliana has shown outstanding dedication and compassion, making a real difference to the lives of her clients every day.

Always bubbly, positive, and full of warmth, she brings happiness to both clients and colleagues alike. Juliana is a truly valued member of the team, and we greatly appreciate all of her hard work and support. Thank you, Juliana — we look forward to many more happy and successful years together.

Huge congratulations to our May GEM's, Cheryl and Hannah!

Over the last three years, Cheryl and Hannah have given fantastic support to one of our wonderful clients and have always gone the extra mile. Recently, they visited her whilst she was in hospital and helped make sure that everything was in place for her happy return home.

Thank you both for your continued hard work, kindness, and care — it really is appreciated.

Paws, people and plenty of smiles at the Liberham Lodge Dog Show

What a wonderful day we had at Liberham Lodge's Dog Show 2026! It was fantastic to see so many people come together and enjoy such a special community event, with more than 12 dogs taking part in the course and bringing lots of excitement and laughter.

It was particularly lovely to see residents from the care home joined by their families and members of the local community. Events like these are about much more than competition; they create opportunities for people to come together, spend time with one another and make happy memories. There were cuddles and conversations throughout the day, and smiles all round as everyone enjoyed the atmosphere.

Doggy love always has a unique way of brightening people's day. Spending time with animals can have such a positive impact on wellbeing, particularly in elderly care and for mental health, creating moments of comfort, connection and happiness. It was heartwarming to see the joy shared between residents, visitors and our four-legged friends.

A huge well done to everyone who took part in the competition and helped make the day such a success. We had a truly lovely time, enjoyed some fresh air and were delighted to be part of such a positive and uplifting occasion. We're already looking forward to the next one!

Right at Home joins Mole Valley Community Responders

During May, Jo and Tim from Right at Home had the wonderful opportunity to join the Mole Valley Community Responders team for a day of learning and community support. We've been working closely with the team since our Later Living Show, and it was wonderful to see how Mole Valley Life positively impacts residents in the local community.

The team uses innovative techniques and modern equipment to provide practical, tailored support to those who need it most. One piece of equipment that really impressed us was a specially designed chair that can be quickly assembled and safely lift someone from the ground—making life easier and safer for both the resident and the responder. Experiencing tools like this really highlights how thoughtful technology can make a meaningful difference in people's daily lives.

Mole Valley Life

MOBILE • INDEPENDENT • SOCIAL

We were delighted to explore the strategies, equipment, and dedication that make the team so effective. It was a wonderful reminder of the power of collaboration and the importance of supporting one another to build stronger, safer communities.

If you think you could benefit from the support offered by Mole Valley Community Responders, we encourage you to reach out to them directly. Alternatively, if you or a loved one could use a little extra help at home, please contact Right at Home Sutton and Mid Surrey. Our team is always happy to provide guidance and discuss how we can help you live safely, comfortably, and confidently in your own home.
