A word from Tim Haigh Managing Director/Owner

Every time we hear from clients who are happy with our service, it makes me even prouder than I already am that I work with such a special group of people. This morning I was emailed by a client's two daughters who wrote:

"We just wanted to say how lucky we were to have found Right at Home and how pleased we have been with the care and attention Dad has received.

"We have been so impressed with Tina Toms, as our point of contact; Sam Healy, for her empathetic planning of the weekly roster; and to all the carers who have daily contact with Dad.

"We have happily recommended Right at Home to others, knowing that the care you give is what you would expect to receive for your own family members."

It is so good to know that what we do is noticed and appreciated and it underlines our commitment to only employ those who view care as a vocation rather than simply a job. 'Til next month!

Celebrating special moments

April was a month of celebration at Right at Home, as we joined in the Easter festivities and took time to appreciate the special moments shared with our clients. We hope everyone had a wonderful bank holiday weekend filled with family, laughter, and of course, a little bit of chocolate!

Several of our clients enjoyed spending quality time with their carers, taking full advantage of the beautiful spring weather. One client had a delightful outing to the Honeywood Museum, where they enjoyed a lovely shopping trip before relaxing with a cup of tea in the sunshine — the perfect way to celebrate the season. Another of our clients had an extra special Easter as she was inducted into the Hall of Fame at Sutton United in recognition of her years of dedicated service to the club. It was a truly well-deserved honor, and we couldn't be prouder of her incredible achievements.

Whatever your plans were this Easter, we hope it was a weekend filled with love, joy, and cherished memories. We're grateful to be part of such a vibrant community and look forward to continuing to support our clients in all the little moments that make life so special.

Celebrating happy years with Right at Home

This month, we're excited to celebrate some incredible work anniversaries! Care Coordinator Sam has marked two years with Right at Home, Deputy Manager Alison has celebrated eight years, and our Registered Manager Jo has reached an impressive nine years with us.

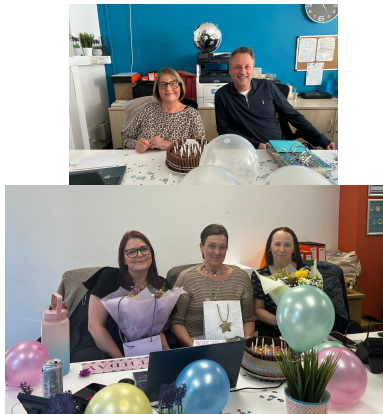

We want to thank each of them for their dedication, passion, and hard work over the years. Their contributions have made such a positive impact on our team and the clients we care for.

A Month of Celebration

April has been a month of celebrations here at Right at Home, as we marked the birthdays of five of our wonderful, hardworking office team members. We are so grateful to work alongside such a fantastic group — it's truly more like a family than a team!

A big happy birthday to Tim, our Managing Director; Jo, our Registered Manager; Sam, our Care Coordinator; Alison, our Deputy Registered Manager; and Charlotte, our Recruitment Coordinator. We hope each of you had a fantastic day and celebrated in style!

Thank you all for everything you do. Here's to another year of great achievements and happy moments together!

Congratulations Cheryl, April's GEM Award Winner

Cheryl consistently goes above and beyond for her clients, even outside of her regular hours. From organizing doctor appointments to picking up medications, she's always willing to do whatever it takes to help. Her dedication truly makes a difference in the lives of those she cares for.

NESCOT fair was just the job

We had the pleasure of attending the Job Fair at NESCOT College Epsom, and what a lovely day it was!

Filled with wonderful conversations, it was so heartening to see so many people eager to learn more about careers in care. It's inspiring to witness the growing interest in this fulfilling field, where we have the opportunity to make a real difference in the lives of individuals throughout our community.

It was fantastic to connect with both students and adults who were curious about the rewarding work we do at Right at Home. Whether exploring a new career path or seeking to make a positive impact, it's clear that the passion for helping others is alive and well. We look forward to welcoming new members to our team and continuing to provide exceptional care to those who need it most.
