## A word from Tim Haigh *Managing Director/Owner*

It was such a pleasure to be part of the Radio St Helier live broadcast from the Hello Club last month. All our members had such a great time listening to their favourite tunes.

Since we started the weekly request show several months ago, so many people have commented how much music is enhancing their enjoyment of being at the club, and we are thrilled to be working alongside Sylvia and Andy from Radio St Helier to make the programme happen.

Finally, a mention to the members of our team who made the recent VE Day celebrations so special for some of clients.

It is a great example of the brilliant care that our carers give to everyone we look after, so a big thank you to all involved.

## Tuning-in to togetherness: a joyful day with Radio St Helier

Last month the Hello Club was alive with excitement as Sylvia and Andy from Radio St Helier hosted a very special live broadcast, in proud partnership with Right at Home Sutton and Mid-Surrey.

The room was buzzing as our Hello Club members shared their favourite songs live on air, enjoying the thrill of hearing their choices played back in real time. It was a wonderful afternoon full of laughter, connection, and memories, with music bringing everyone together in the most magical way.

Sylvia and Andy are not only brilliant broadcasters, but also valued members of our community, dedicated to bringing joy and comfort to those who need it most. Their passion and positivity are infectious, and their radio show is a true lifeline for many—especially those feeling isolated or recovering in hospital.

We know how important social interaction is for mental and emotional wellbeing—whether that's joining a local club, getting out for fresh air, or simply having a friendly chat. Add music into the mix, and the benefits only grow.

## Celebrating happy years with Right at Home

A big thank you to Iuliana and Adela, who are celebrating their one-year anniversaries with Right at Home, and a huge congratulations to Linda on her five-year milestone! We want to thank each of them for their dedication, passion, and hard work over the years. Their contributions have made such a positive impact on our team and the clients we care for. We're grateful for your dedication, kindness, and hard work. Here's to many more years together!

## GEM of the Month goes to Emma!

Emma goes above and beyond, not only providing amazing care to all her clients but also keeping their families connected. Her thoughtful photos and videos help loved ones feel reassured, knowing their family member is happy and well looked after.

## Celebrating VE Day together

This May marked 80 years since Victory in Europe Day, and at Right at Home Mid Surrey, we were proud to see our wonderful carers and clients come together to mark the occasion with warmth, reflection, and plenty of smiles.

Across the community, we shared tea parties, wartime music, and cherished memories. Many clients reminisced about their experiences during the war, while others enjoyed hearing stories passed down through generations. Our carers helped bring these moments to life—offering companionship, support, and a listening ear.

Some even visited Polesden Lacey, a beautiful estate with WWII history, to enjoy a peaceful day of remembrance and celebration.

## Team-time in the park: a well-deserved catch-up

At Right at Home Sutton and Mid Surrey, we know great care starts with a strong, connected team.

That's why we recently gathered our carers and office staff for a refreshing get-together at Alexandra Park in Epsom.

It was a lovely day of good chats, fresh air, and plenty of laughter—topped off with delicious teas, coffees, and cakes at the lovely Park View Café. A big thank you to their team for the warm welcome!

Moments like this remind us how valuable it is to step away, connect, and support one another.

We shared ideas, listened to each other's experiences, and talked about how we can make working life better for our amazing carers—because when our team thrives, our clients benefit too.
