SONG OF THE MONTH – THREE LIONS

There really was only one winner for Song of the Month for July. It could not be anything other than Three Lions.

With England competing in the Euros, the whole country was united by the great performances, and passionate displays which saw England reach the Final of the competition for the first time since 1966. Unfortunately, they did not overcome Italy to end 55 years of hurt. Everyone at Right at Home is extremely proud of how well the England team performed throughout the competition.

Staff Vaccination Update

We are delighted to announce that as of the beginning of July 2021, 92% of RaH South Cheshire staff have received their first dose of the vaccination. Staff have now started to receive their second dose of the vaccination and this percentage is currently at 89%. All RaH employees are expected to be fully vaccinated by the end of August. What a great achievement by all.

"It's really great to see how quickly the NHS have been able to roll out Vaccinations across the UK, and the vast majority of our care team have been able to arrange their vaccinations with ease ensuring both their safety and the safety of the Clients we support"

Going the Extra Mile

Going the Extra Mile Awards are given to Right at Home team members who have gone the extra mile at work – people who have made a difference beyond what is expected of them in their everyday role.

One of our CareGivers, Joanne Roscrow has already been nominated for a GEM Award in July by one of our client's family members.

"Right from the start of her visits it is clear that Jo is really invested in not only keeping my mum safe but also comfortable, engaged and happy".

Joanne has shown that she takes pride in the job that she does and ensures that her client's wellbeing is her number one priority. This hasn't gone unnoticed, and Joanne has been congratulated on her GEM Award.

Joanne, CareGiver

"My mother has been incredibly resistant to any type of care or help. She tolerates it only through cajoling and insistence from the family. But when it comes to Jo, she does not see her as a carer or 'one of the girls' as she calls them. She sees her as a helpful friend, and I think that says it all. Thank you, Jo, for all that you do in making my mum so content. I know she can be a challenge!"

Congratulations Joanne and keep up the good work!
