

MARCH 2025

NEWSLETTER

A word from Tim Haigh *Managing Director/Owner*

Many things make me proud to be part of Right at Home.

This month it has been reflected in two areas. I'm proud to announce, as we go to press, we raised £450 for the British Heart Foundation. Clients and carers took part and we all wore red to mark the occasion one day last week, which was a lot of fun.

We also achieved top-rated status of 10/10 on homecare.co.uk with 74 positive reviews, making us one of the leading homecare providers in the UK.

So if anyone is looking for care at home, you can be sure the quality of care from Right at Home will be the highest possible.

● Let's get heart healthy!

Throughout February, the Right at Home team has been walking, running, and fundraising to support the British Heart Foundation and raise awareness for heart health. The British Heart Foundation funds life-saving research into heart and circulatory diseases while providing vital support for those affected.

At Right at Home, we know how important heart health is. Heart disease remains one of the leading causes of illness, but the good news is that small lifestyle changes can make a big difference. Regular physical activity, a balanced diet rich in fruits, vegetables, and whole grains, managing stress, and avoiding smoking are all key to maintaining a healthy heart.

As we move into March, let's keep the momentum going. A healthier heart starts with daily habits, and it's never too late to make a change!

Networking at Signature Banstead

Right at Home was delighted to attend the Signature Care Networking Event in Banstead, where we spent a wonderful morning connecting with like-minded professionals in the care sector.

The event provided a fantastic opportunity to engage in meaningful conversations, share expertise, and build relationships with others who are equally passionate about providing quality care.

We truly value these moments of connection and look forward to continuing to build strong partnerships that make a positive impact in our community.

A big thank you to Signature Banstead for hosting such a fantastic event, and to all the attendees for the inspiring discussions. Here's to growing together and making a difference!
